Dear Lane:

We have received your request to delete Illinois's certification condition number 9 from the Vessel General Permit (VGP) to reflect Illinois's modified certification dated February 4, 2009. This letter is to notify you that your request to delete this condition from the VGP is granted. We intend to post a copy of the VGP reflecting the deletion on our website ([www.epa.gov/npdes/vessels](http://www.epa.gov/npdes/vessels)) by February 6, 2009, along with Illinois's modified certification. In addition, we will issue a notice of availability of the VGP reflecting the deletion in the Federal Register in the near future.

Sincerely,

A handwritten signature in black ink, appearing to read "Tinka G. Hyde", with a long horizontal flourish extending to the right.

Tinka G. Hyde  
Director, Water Division
