Case No.

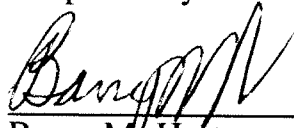

09-1115

**RULE 26.1 DISCLOSURE STATEMENT OF
AMERICAN WATERWAYS OPERATORS**

The American Waterways Operators (“AWO”) is a “trade association” as that term is defined in D.C. Cir. R. 26.1. AWO is a nonpartisan, nonprofit trade association representing U.S.-flag vessel operators on the Atlantic, Pacific and Gulf coasts, on the inland rivers, and on the Great Lakes. The association’s 250 members operate thousands of tugboats and towboats, as well as tens of thousands of barges, that move more than 800 million tons of cargo annually. AWO’s members represent the largest segment of the U.S.-flag fleet. No parent company, subsidiary, or affiliate of AWO has issued share or debt securities to the public.
