

# EPC CONTRACTING ISSUES IN THE OIL & GAS INDUSTRY

Date: 2 November 2015

By: Jason L. Richey, Beth W. Petronio, Matthew E. Smith, Steven C. Sparling, Jackie S. Celender, John F. Sullivan, Randel R. Young

On Monday, November 2, 2015, K&L Gates and Marsh hosted over 100 industry representatives for a complimentary one-day seminar which covered EPC contracting issues relevant to companies in the oil and gas industry. During the seminar our panelists discussed important topics from both a legal and risk management perspective. The seminar closed with a roundtable discussion featuring leaders in the oil and gas industry.

Seminar presentations included:

- Common contractual and legal issues arising under EPC contracts for onshore and offshore oil & gas projects, including force majeure, performance-related issues, indemnity insurance provisions, regimes, change orders, and termination  
Jason L. Richey, Beth W. Petronio, and Randel R. Young, K&L Gates
- Successfully resolving disputes under EPC contracts, including international arbitration and other forms of dispute resolution and associated insurance coverage  
Richard F. Paciaroni and Matthew Smith, K&L Gates and John R. Cunningham, Marsh
- A Shifting Paradigm: Evaluating Emerging Global Risks for Mega Oil and Gas Projects  
Robert Peterson, Oliver Wyman, Oil & Energy
- EPC contracting issues specific to the LNG industry  
Matthew Smith and Steven C. Sparling, K&L Gates and John R. Cunningham, Marsh
- Modular construction: Insurance challenges  
Ali Rizvi, Paul Nicholson, and Kevin Sparks, Marsh and Jackie Celender, K&L Gates
- Industry Roundtable Review  
Richard Pettigrew, ExxonMobil Development Company  
Manny Walters, Phillips 66 Company  
Shane Willoughby, CB&I

Stephen Sanford, Fluor  
Barbara Thompson, Aker Solutions  
Moderated by John F. Sullivan III, K&L Gates
