

Austin Driving Directions

Traveling on I-35, take the Cesar Chavez/First Street exit. Turn west onto Cesar Chavez. Stay in the right lane. Turn right at the fourth red light, which is Brazos Street. As soon as you turn right, make an immediate right into our garage -- One Congress Plaza -- which is on the corner of Cesar Chavez and Brazos. Park in any non-reserved space, then take the garage elevator to Plaza Level. As you step off the elevator, turn to your right. You will be walking through an underground tunnel which takes you directly into our building. The elevators that access our office are on your right upon exiting the tunnel. We are on the 9th floor.

Please do not park in the Convention Center garage, which is immediately north of our garage.
