

## Environmental and Land Use Representative Matters

### Other Environmental Programs

- ***Southeastern Federal Power Customers Inc. v. Corps of Engineers***, et al. No. 1:00-CV-02975-TPJ (D.D.C.2001). K&L Gates is representing the Florida Department of Environmental Protection in a dispute over water rights allocation issues relating to the Apalachicola-Chattahoochee-Flint River ("ACF") Compact, as well as issues under the National Environmental Policy Act, the Endangered Species Act, the Water Supply Act and the Flood Control Act.

- Indoor Air Quality, 2003. K&L Gates is advising a commercial distributor of commercial equipment on various issues concerning indoor air quality at several of its facilities in the U.S. K&L Gates has reviewed mold test results and negotiated abatement measures with client's landlord and insurers at one facility, and has assisted client in negotiations with the landlord at another facility to perform HVAC upgrades to improve indoor air quality in response to employee complaints.
