Date: 13 May 2020

As businesses prepare to reopen, reintegrate employees into the workplace, and interact with customers and visitors, companies may need assistance and guidance on moving into the next normal. Businesses will need to revisit existing policies, create new policies, and consider additional changes previously outlined in the [K&L Gates Return to Work Guidelines](#).

To help businesses operating in the United States, the K&L Gates labor, employment, and workplace safety and privacy teams have developed a collection of return to work products featuring policies, procedures, and training materials to help businesses as they navigate the path to recovery.
