Date: 21 July 2020

By: Will Grinter, Randall Gerken, Samuel Brown, Michael Hain, Chris Wille, Jennifer Degotardi

The COVID-19 Retail and Commercial Leasing Matrix (Matrix) provides landlords and tenants with an overview of the COVID-19 response measures which have been enacted in each Australian State and Territory following the release of the National Cabinet's *Mandatory Code of Conduct: SME Commercial Leasing Principles During COVID-19* (Code) on 7 April 2020.

The Code embodied a set of good faith leasing principles to apply to certain commercial tenancies experiencing financial stress or hardship because of the COVID-19 pandemic. You can read more about the Code [here](#).

The Matrix is current as at 21 July 2020, and includes recent amendments to the NSW regulations. We will continue to update this document if regulations change. You can read detailed summaries of regulations passed in various jurisdictions [here](#).
