

## 2017 U.S. CONGRESSIONAL CALENDAR

Date: 6 December 2016

### **Public Policy and Law Publication**

The K&L Gates Public Policy and Law group is pleased to provide you with our 2017 U.S. Congressional Calendar.

The calendar is a compilation of the House and Senate schedules in a color-coded format showing periods when the House and Senate are expected to be in session next year. The calendar is a useful planning tool intended to help those individuals who interact with Members of Congress and their staff.

This is shown in a two-sided format, which allows us to better visually illustrate holidays and other important dates and information. We have also added QR codes to the House and Senate cloakrooms, as well as to our website, where you can always download the most up-to-date version.
