

LIVE CYBER ATTACK

Date: 14 June 2016

By: Dr Andrew Rogoyski, Sasi-Kanth Mallela, Andrew W. Gilchrist

K&L Gates and CGI recently hosted a simulated live cyber attack in the K&L Gates London office.

The event addressed practical steps that firms should take to reinforce their crisis management strategy in the event of a cybersecurity incident.

To aid firms in executing their approach to better cybersecurity, K&L Gates and CGI have produced a practical guide for best boardroom practice for cybersecurity.
