Welcome to the Spring 2015 edition of *Environmental Policy Quarterly*, published jointly by the Environmental, Land and Natural Resources Practice Group and the Public Policy and Law Practice Group of K&L Gates. *Environmental Policy Quarterly* highlights significant developments and issues of public policy relating to the environment and natural resources in the United States and globally.

This edition focuses on changes in U.S. environmental policy as led by the EPA—what's pending and on the horizon in the areas of air, water, and waste regulation. We are delighted to include contributions by a number of K&L Gates lawyers who focus on these matters on a daily basis.

We hope you find this edition of *Environmental Policy Quarterly* of interest, and we welcome your feedback.
