

FINANCIAL SERVICES AT THE CROSSROADS OF DIGITAL TRANSFORMATION

Date: February 2019

Drawn from a detailed survey of 200 financial and legal executives, as well as interviews with some of today's leaders in this space, this report examines how executives are responding to rapid change in the marketplace brought about by emerging technologies, new regulations, and other key trends. The report provides meaningful insight into how organizations have been impacted by these changes, how they plan to address these changes in the near future, and how these changes are redefining financial and legal roles.
