

# TANZANIA- NAVIGATING THE MINING LANDSCAPE

Date: 7 June 2018

By: James Green, Ian Meredith

The London office recently co-hosted a "Tanzania - Navigating the Mining Landscape" event, alongside Bowmans. Also in participation were Perth and Beijing offices, via video conference, adding to the quality of the discussion.

London Partners James Green and Ian Meredith were panelists, as well as Bowmans Chris Green, Partner at Bowman Dar es Salaam office and Wilbert Kapinga, Managing Partner of Bowmans Tanzania office.

Delegates included high-level decision makers from Shanta Gold, Tamesis Partners, Edenville Energy and FTI Consulting, providing for an engaging and insightful discussion on the topic.
