## OVERVIEW

Jessie is a lawyer in the firm's Energy, Infrastructure, and Resources practice who advises on project delivery and infrastructure transactions. She has experience in renewable energy projects and PPPs, including advising on transaction structuring, risk allocation, construction and operations, and management.

## PROFESSIONAL BACKGROUND

Jessie joined K&L Gates as a summer clerk and then as a graduate, completing the graduate program where she gained exposure to energy, infrastructure, and resources, health regulation, mergers and acquisitions and restructuring and insolvency.

Prior to starting at K&L Gates, Jessie worked as a paralegal for a global solar developer.
