## OVERVIEW

Johnathan Billings is an associate in the firm's Real Estate practice. He focuses on real estate finance, the acquisition and disposition of real property, leasing, land use agreements, and zoning.

Johnathan regularly represents renewable energy clients in the development, construction, and financing of energy and infrastructure projects. He also supports firm's U.S. site selection and economic incentives practice in representing foreign and domestic companies seeking to obtain state and local economic incentives.

## PROFESSIONAL BACKGROUND

Prior to joining the firm, Johnathan served as an associate attorney in the real estate and financial industries practices of a national law firm based in Alabama. Through this experience, Johnathan assisted real estate developers and financial institutions with various commercial and financial transactions.
