OVERVIEW

Elaine Kuo is a patent technical specialist in the firm's Boston office and a member of the IP Procurement and Portfolio Management practice group. With a Ph.D. in biology from Massachusetts Institute of Technology (MIT), Elaine has experience in biochemistry, molecular biology, cancer biology, and drug development. Throughout her doctorate program, Elaine served as an intern for MIT's Technology Licensing Office, where she wrote and conducted research relating to MIT technologies and inventions. Elaine also served as an intern with a global intellectual property firm, working alongside patent attorneys during the drafting and review of patent applications.
