## OVERVIEW

Chris Wilson is a patent technical specialist in the firm's Boston office. He is a member of the IP Procurement and Portfolio Management practice group. Prior to joining the firm, Chris was a technology specialist at a Boston firm where he worked with clients in the biotechnology and pharmaceutical sector, including start-ups and small and large companies. Chris assisted in prosecution of patent applications directed to CAR T technology, Clustered Regularly Interspaced Short Palindromic Repeats (CRISPR) systems, antibodies, and dermatological treatments with the USPTO and foreign jurisdictions.
