OVERVIEW

Jeffrey Johnson is a trial lawyer focusing on intellectual property and other types of high stakes complex litigation. Jeffrey has successfully tried cases to verdict in both state and federal courts on behalf of some of the largest corporations in the world. Jeffrey is particularly experienced in trade secret litigation. He has handled well over a hundred trade secret matters, with appearances before state and federal courts throughout the United States and before the International Trade Commission. These cases pit Jeffrey and his teams against formidable opponents throughout the country. U.S. and international clients turn to Jeffrey for his proven record, innovative strategies, and commitment to his clients.
