OVERVIEW

Owen Chio is a partner / senior legal consultant in the firm's Taipei office. Owen has over 20 years of experience advising on (i) cross-border M&As and investments in energy, high tech, biotech and other sectors, (ii) major energy projects particularly in wind, solar, thermal power and natural gas areas, (iii) corporate compliance issues such as data privacy, trade sanctions, anti-trust and anti-corruption, and (iv) cross-border commercial disputes. Owen has been involved in some of the most significant deals for major MNCs and state-owned enterprises and acts for corporate clients on a long term basis in their investments, M&As and post-acquisition/investment corporate and commercial matters. Owen is recognized by International Financial Law Review (IFLR) as a "Leading Lawyer - Highly Regarded."

PROFESSIONAL BACKGROUND

Prior to joining the firm, Owen was a partner / executive consultant and the global co-head of the compliance practice of a Taiwan law firm with strategic alliance with one of the Big 4 firms. Before then, he worked at the Taipei office of a multinational law firm for 15 years, including as a partner, co-chair of corporate compliance practice, deputy chair of foreign investment approval, and CSR partner of the firm. Owen worked in the Hong Kong office of a UK Magic Circle firm before returning to Taiwan.
