### OVERVIEW

Julie-Anne Chiccarino is a staff lawyer in the e-discovery analysis and technology (e-DAT) group. Since joining the firm in 2011, she has advised clients on electronic discovery strategies and processes and managed large legal review and production teams in a variety of complex commercial litigation and government and regulatory investigations.

Julie-Anne serves as liaison among clients, trial counsel, review attorney teams, vendors and technical support personnel advising on all stages of electronic discovery strategies, from the legal hold process through post-production support.

### PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, Julie-Anne worked for several Pittsburgh law firms focusing on discovery issues in large products liability cases and representing clients in general liability matters. She has worked extensively with a local organization in assisting indigent clients with immigration matters, including representing clients before the Executive Office of Immigration Review.
