OVERVIEW

Jenna Bruce is an associate in the Seattle office of K&L Gates and focuses her practice on intellectual property litigation with an emphasis on patent litigation under the Hatch-Waxman Act. Jenna has represented clients across the country in multiple jurisdictions.

Jenna has a varied experience in the different stages of litigation, including discovery, claim construction proceedings, summary judgment motions, and pretrial. She often prepares patent landscapes and opinions relating to the invalidity, non-infringement, and unenforceability of patents. She also assists clients in a range of matters, including regulatory issues and due diligence.

In addition to her pharmaceutical practice, Jenna has experience in other complex commercial litigation cases, including false advertising.

PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, Jenna was an intellectual property contract lawyer for another law firm in Seattle.
