OVERVIEW

Nicole Guglielmi is a lawyer in the Melbourne office who advises on project delivery and infrastructure transactions. She has particular expertise in renewable energy projects and public-private partnerships (PPPs), including structuring, risk allocation, construction and facilities/operation management.

Nicole has assisted in advising sponsors and contractors on the development and ongoing operation of renewable energy projects such as wind and solar farms, and PPP and other infrastructure projects such as toll roads, prisons, and other project financed infrastructure assets both in Australia and New Zealand.

PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, Nicole was a solicitor at a leading national law firm.
