OVERVIEW

Rachel McNally is a lawyer in the energy, infrastructure, and resources team who advises on project delivery and infrastructure transactions.

She has experience in the renewables, infrastructure, aged care and technology sectors and has experience in advising on renewables projects, complex private mergers and acquisitions, capital raisings, venture capital and private equity.

PROFESSIONAL BACKGROUND

Rachel joined the firm as a summer clerk and then as a graduate, completing the graduate program and gaining exposure to property law, labour, employment, work relations and safety matters, corporate and transactional matters and energy, infrastructure and resources. Rachel has worked across a range of industry sectors, including energy, retail, childcare and technology, and on a range of matters including private mergers and acquisitions, venture capital investments and general corporate advisory work.

Prior to starting at the firm, Rachel worked as a junior environmental coordinator at a tier 1 contractor, including on the M2 Upgrade and Westconnex Stage 1A projects, and at a not-for-profit environmental legal centre.
