sarah.drinkwater@klgates.com

OVERVIEW

Sarah Drinkwater a senior associate within the construction and infrastructure practice group in the firm's London office. She acts for clients on both contentious and non-contentious matters.

Sarah previously worked as an associate at a multinational professional services company with many high profile infrastructure clients High Speed 2, Heathrow Airport, Anglian Water, Transport for London and Network Rail, bringing with her a wealth of knowledge of the UK infrastructure industry.

Further, Sarah supports our Asia Pacific region and is a key member of our water and wastewater infrastructure sub-group at a global level.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Sarah worked at a construction and project management consultancy firm in London, where she assisted with various commercial tasks in relation to procurement strategies and contractual arrangements.
