OVERVIEW

Rong Fan is an of counsel in the firm's Shanghai office. His practice areas include cross-border M&A and general corporate matters, foreign direct investment/PRC regulatory compliance, equity capital markets, mining and resources/outbound work, and the pharmaceutical industry.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Rong was a legal director in the Hong Kong office of an international corporate law firm. In addition, he worked for a multinational law firm headquartered in Sydney and Hong Kong for more than six years, where he worked as solicitor, associate, and senior associate. Before relocating from Australia to the greater China region, he also worked in the corporate advisory department of a leading Australian law firm and an international law firm in Melbourne, Australia, where he advised on mergers and acquisitions, initial public offerings (IPOs), rights issues, and product disclosure statements, as well as acted for leading Chinese state owned enterprises (SOEs) in regard to their investment in the mining and resources space in Australia.
