## OVERVIEW

Frank Thomas is a partner in the firm's Finance practice. He has extensive experience with domestic and cross-border financing, rail and aircraft finance transactions, infrastructure projects, privatizations, restructurings, public-private partnerships, and leasing, as well as advising public authorities or companies acting for public authorities.

His main focus is on projects and transactions in the following sectors: rail, aviation, technology, energy, and infrastructure, as well as utilities.

Frank advises companies, credit and financial services institutions, private equity funds, infrastructure funds, public transport authorities, state governments, and other public authorities.

Frank "enjoys a very good reputation" (*Legal 500 Germany 2018*). He is appreciated by colleagues and clients alike and is recognized by *Best Lawyers/Handelsblatt 2021*, *Chambers Europe 2020* (First Tier), *Chambers Global 2018*, and *Expert Guides 2014* as one of the leading asset finance and transportation lawyers ("highly experienced in aircraft financing and refinancing in rail transport," *Chambers Global 2017*).

Clients emphasize "his strong negotiating skills" and praise his "first-class contract drafting" (*Chambers Europe 2017*). They "enjoy working with him," describe him as "very efficient and client-oriented" (*Chambers Europe 2018*), and also appreciate his transaction management and competence in the implementation of projects: "He was very flexible, well organized and we were very well looked after" (*Chambers Europe 2018*) and "highly recommended (...) for his extensive experience in the field of rail finance" (*Chambers Global 2015*).
