OVERVIEW

Sean Crosky is a partner in the firm's Finance practice. He is a structured finance lawyer with experience in a wide variety of financing transactions including debt capital markets, structured products, receivables financings, restructurings and Islamic finance. He focuses on advising trustees, loan agents and corporate service providers on these financings.

Sean has advised on a variety of transactions including securitisations of trade receivables, auto loans, residential mortgages, commercial mortgages, insurance contracts, portfolios of loans and transport assets as well as transactions involving asset backed commercial paper, conduit financing and covered bonds. Sean also has advised on a large number of public CLOs, CLO warehouse transactions, private CLO transactions and origination structures. He also has advised clients on a number of shariah compliant financing transactions, including sukuk transactions and financing programmes including shariah compliant structures. Sean has advised on a number of high profile debt restructurings, defaults and liquidations of portfolios of assets as well as litigation before the English courts. Sean has advised on transactions in the UK, Europe, the Middle East, the USA, Australia and Asia.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Sean was a member of the debt capital markets team at the London office of an international law firm.
