OVERVIEW

Liz Thomas is senior of counsel in the firm's Seattle office and member of the firm's energy, Infrastructure, and resources practice.

Liz has a national practice, concentrating in a range of matters related to energy and water regulation, transactions and project development. This includes:

- Regulatory matters in mergers, asset acquisitions, and other transactions
- Licensing, re-licensing, and compliance for hydropower facilities
- Siting, permitting, and development of renewable and traditional energy facilities
- Conducting litigation involving energy facilities, water rights, and rates
- Advising clients on public policy issues
