OVERVIEW

Patrick Perrone, a partner in K&L Gates' Newark office, is a trial lawyer and concentrates his practice on construction and product defect matters. He is an experienced litigator who has handled hundreds of cases involving consumer/building products and construction defects in state and federal courts throughout the country. He is also an experienced class action attorney and has defended a variety of consumer/building products class action suits in courts throughout the country. His clients include major developers, homebuilders, and product manufacturers.

Patrick is a Leadership in Energy and Environmental Design Accredited Professional (LEED®-AP). Additionally, Patrick has been recognized as a New Jersey Super Lawyer from 2004 - 2019.

PROFESSIONAL BACKGROUND

Patrick started his career in the New York County District Attorney's office where he investigated and prosecuted misdemeanors and felonies, and presented cases to the Grand Jury. As an attorney in the Trial Bureau, he tried over 20 cases to verdict. Prior to joining K&L Gates, Patrick was a partner at a Newark law firm, where he focused his practice on civil litigation.
