camilla.demoraes@klgates.com

OVERVIEW

Camilla de Moraes is a senior associate in the energy, infrastructure and resources area in the firm's London office. She focuses on disputes arising out of complex construction, infrastructure and energy disputes. Camilla's practice involves international arbitration as well as other forms of dispute resolution, including adjudication and expert determination.

Camilla has also acted for clients in respect of non-contentious construction matters, including negotiating and drafting construction documentation.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Camilla was an associate in the London office of an international law firm, focusing her practice on construction and infrastructure disputes.
