OVERVIEW

K.E. Love is a partner in the firm's Seattle office and a member of the Technology Transactions and Data Protection, Privacy, and Security practice groups. She has extensive experience in the United States and abroad on a wide array of legal and business areas, including technology services, operations, corporate strategy, technology and content licensing and development, marketing and advertising, sales and distribution, product development, supply chain management, product management, manufacturing, fleet operations, compliance, and privacy and security. She has represented clients in multiple cross-border transactions and global outsourcing for logistics, fulfillment, manufacturing and transportation. She has background in global transactions, including Asia, Europe, and Latin America. Her clients include major technology, US telecommunications, consumer electronics, and international manufacturing companies.

K.E. is also a member of the firm's Seattle diversity committee.

PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, K.E. served as associate general counsel for an international video game developer and publisher where she worked closely with and advised executives and senior leaders on operations, manufacturing, and distribution. In addition, K.E. has led legal affairs at a leading US telecommunications company, a global consumer electronics and manufacturing firm, and a national cable television operator. K.E. also specializes in agribusiness deals for wineries and vineyards.

PROFESSIONAL / CIVIC ACTIVITIES

- American Bar Association
- Washington State Bar Association
- Hispanic National Bar Association
- Video Game Bar Association

K.E. is also an active member of her community. She served on the Board of Directors of Education First - a national, nonprofit association that focuses on providing need-based college scholarships to students attending high schools with historically low percentages of college applicants - from 2006-2011.
