OVERVIEW

Endre Szalay is a partner in the Environment, Land, and Natural Resources group in the Seattle office. Endre assists a broad range of clients, including public entities, utilities, small businesses, and large corporations, in developing compliance strategies to solve complex problems. His practice focuses on compliance counseling under the full suite of environmental statutes, with an emphasis on the Clean Water Act (CWA); National Environmental Policy Act (NEPA) and state equivalents; Endangered Species Act (ESA); and the Comprehensive, Environmental Response, Compensation and Liability Act (CERCLA) and state equivalents.

Endre is also a member of the firm's top-ranked environmental litigation practice, and has assisted clients in complex litigation ranging from claims under core environmental statutes and the Administrative Procedure Act to constitutional causes of action.

Prior to joining K&L Gates, Endre was assistant regional counsel for the U.S. Environmental Protection Agency (EPA) Region 10 where he worked on complex environmental enforcement, civil defensive litigation, permitting matters, and regulatory counseling involving water quality standards among other issues. Endre was Region 10's Senior Water Enforcement Attorney, handling enforcement actions under the CWA and Safe Drinking Water Act. He served as Region 10's lead attorney for CWA jurisdictional issues, including waters of the United States rulemaking, and mining-related issues.

ACHIEVEMENTS

During his tenure at the EPA, Endre earned several agency awards, including the Gold Medal for Exceptional Service and multiple Bronze Medals for Commendable Service.
