OVERVIEW

Kiran Giblin is an associate in the firm's London office where he is a member of the construction and infrastructure practice group. He acts for clients on both contentious and non-contentious matters, advising both public and private sector clients. Kiran has experience of many different forms of dispute resolution including litigation, arbitration, adjudication and mediation. Further, Kiran advises on a wide range of construction documents for various UK-based and multi-jurisdictional projects, including JCT, NEC and bespoke forms of contract. Kiran previously undertook his training contract at K&L Gates' London office gaining experience in the real estate, planning and complex commercial litigation and disputes practice groups.

EDUCATION

- Legal Practice Course, University of Law, 2015

- Construction and Infrastructure Dispute Resolution

- Construction and Infrastructure Project Funding
- Government and Public Procurement
- Rail and Roads
- Water and Wastewater

REPRESENTATIVE EXPERIENCE

- Regularly advising on the dispute resolution provisions of various construction agreements. For example, advising a multi-national engineering and design consultancy in respect of an ICC arbitration regarding the Doha Metro Project.
- Advising a major rail operator in respect of an adjudication arising out of a design and construction agreement regarding a large station upgrade project.
- Acting for a major Chinese contractor on a number of contractual issues and disputes concerning a substantial residential development in central London.
- Advising purchasers in relation to the construction aspects of various real estate transactions, including the sale and purchase of commercial mixed-use developments in Edinburgh and central London.
- Advising a multi-national mechanical and engineering contractor in respect of a high value DIAC arbitration regarding a major infrastructure upgrade project in Dubai.
- Advising a multi-national joint venture engineering and design consultancy in respect of a high value ICC arbitration regarding a major stadium project in Qatar.
- Advising a UK property funder on a large scale commercial development in central London and regularly working with industry standard contracts, particularly JCT and NEC forms.
