OVERVIEW

Nóirín McFadden is a senior associate in the firm's London office. She concentrates her practice on intellectual property, technology and commercial matters. Nóirín has experience in data and trade mark licensing and in distribution agreements and has also worked on a range of technology matters including software licensing and online agreements. Nóirín advises on wide-ranging data protection issues, including data transfers.

PROFESSIONAL BACKGROUND

Prior to joining the firm Nóirín worked in-house at a leading financial index provider. Before that she trained at a national firm where she qualified in September 2009.
