OVERVIEW

Christian Büche is a partner in the firm's Finance practice. He is appointed by the Higher Regional Court of Frankfurt as civil law notary with official seat in Frankfurt am Main. Christian focusses his practice on financing transactions and regulation in the financial services industry. He advises his clients primarily on real estate financings and financings for rolling stock for commercial use and regional rail transport. He is experienced in advising domestic and foreign banks, investment firms, payment service providers, fund managers, servicers and other businesses in the financial services industry on the requirements applicable to their operations in or related to Germany.

As a civil law notary, Christian advises clients, drafts and records deeds in all matters requiring the involvement of a notary in Germany, in particular the incorporation or restructuring of companies, capital increases or the appointment of directors, filings with the commercial register, acquisition or sale of real estate, mortgaging of real estate, ships or airplanes, pledges over shares, succession and estate planning, certifications of signatures or documents.

PROFESSIONAL BACKGROUND

Christian joined the firm in July 2010. From 2004 to 2010, he worked with international and national law firms in Düsseldorf and Frankfurt.
