## OVERVIEW

Adam Husik is a seasoned litigator and advisor. Adam has trial experience in multiple practice areas, including products liability, mass torts, and environmental litigation. Adam is also well-versed in several cutting-edge areas of law, making him a versatile and dynamic lawyer.

Adam's strategic approach to legal matters, combined with his technical acumen, enables him to craft efficient and effective legal strategies. Adam has a proven track record in successfully managing, litigating, and resolving complex cases and large dockets, including multi-district and other consolidated litigation. He is particularly well-versed in the e-discovery space, leveraging his technical expertise to optimize the discovery process, and skillfully gather critical evidence.

Additionally, Adam possesses a deep understanding of emerging topics critical in today's digital landscape, including digital assets, artificial intelligence, cryptocurrency, fintech, and e-commerce. With respect to e-commerce, Adam's experience includes loyalty programs, CPC advertising, dropshipping and print-on-demand manufacturing, and various e-commerce platforms. This in-depth knowledge enables him to provide invaluable insights and tailored advice to clients operating in these areas. Adam's ability to address the unique needs of technology-centric clients is further strengthened by his expertise in LAN and Internet/WAN networking, Unix and other operating systems, and with multiple programming and scripting languages. By combining legal acumen with technical proficiency, Adam ensures effective communication with clients and a comprehensive understanding of their business and legal challenges.

Clients seeking Adam's counsel benefit not only from his comprehensive legal knowledge but also from his ability to understand the unique challenges and opportunities presented by the rapidly evolving digital revolution. Whether handling complex litigation or advising on emerging technologies, Adam remains steadfast in his commitment to achieving the best possible outcomes for his clients, making him a crucial resource to the clients he represents.
