## OVERVIEW

Kayano Oshima is an associate in the firm's Tokyo office and a member of the finance, health care, and antitrust practice team.

Prior to joining the firm, Kayano worked at a global biotech company with subsidiaries in the UK, the United States, and India, and partnering with a Taiwanese company. Kayano has a background in pharmaceutical law and has worked on the development of products including regenerative medicine. She also has a deep knowledge of pharmaceutical industry regulation in Japan as well as a solid understanding of industry trends.

She received a bachelor of economics from the University of Tokyo and JD from the University of Kobe. She is qualified in Japan as a bengoshi lawyer.
